

Job Description & Person Specification

Position:	Peripatetic Occupational Health Advisor
Reports to:	Clinical Manager / Deputy Clinical Manager
Salary band:	£40-42k FTE dependent on experience
Position type:	Permanent, full time, or part time 2 days per week. Hybrid role.
Hours:	Flexibility with hours. 0900-1700, occasionally 0800-1600, occasional early, late & night shifts. Monday – Friday.
Location:	Ideal home/base location; Newmarket, Cambridge area.
Skillset required:	Qualified OHA with strong MR experience, NSQ, health surveillance, phlebotomy & vaccination skills.

Job Summary

The postholder will provide the full Occupational Health remit in the commercial sector, whilst demonstrating fully independent clinical practice.

This role is a peripatetic role. It includes travel within an agreed area to Corazon Health’s clients, and working at home or from the Corazon Health office providing the following services as required:

- Management referrals (maximum 5 cases a day)
- New starter clearance
- Health surveillance (client site or Corazon office)
- Wellbeing
- Vaccination & phlebotomy (client site or Corazon office)

The post holder is expected (following induction and any training required) to be self-sufficient whilst out at client sites. Support is available remotely but there is an expectation that the post holder would be able to work independently.

There will be occasions where a clinic on a client site is a short booking/half a day, and you would be expected to travel to another client or to the office/home to continue working (travel/set up equipment/pack up equipment time is given) following this.

There will be occasions where if a clinic is cancelled at short notice, you may be expected to complete administrative work (with full guidance) at the Corazon Health office or from home (depending on the task), if we are unable to book new work in time.

Sectors our clients operate in include pharmaceutical, manufacturing & engineering.

Role Responsibilities

- Demonstrate the ability to interact, cooperate and establish effective working relationships with all Corazon Health employees, managers and direct reports.
- Build trust, value others, communicate effectively, work collaboratively, solve problems creatively and demonstrate high integrity and ethical behaviours.
- Maintain professional internal and external relationships that meet Company core values, encouraging employee voice to enhance productivity and organisational performance with all Corazon Health clients, contractors and suppliers.

- Demonstrate & role model our **ELITE** behaviours, leading by example to encourage a culture of fairness, equity and engagement.

ELITE VALUES

Engage

We promote an environment of positive collaboration and communication, where we actively listen, support, respect and value each other.

Lead

We believe in demonstrating fairness and consistency while leading by example to achieve our shared ambitions.

Inspire

We thrive on each other's growth and successes, recognising and rewarding a diversity of talents, endeavours and loyalty.

Trust

We embrace a culture of openness, honesty and integrity as a foundation of our commitment to each other.

Empower

We encourage initiative, value responsibility and nurture growth and development to enable us to flourish.

Business Development

- Assist in the delivery of commercially minded Occupational Health Services.
- Play a significant role in initiatives geared toward operational excellence.
- Follow the operational systems and processes in support of Corazon's business development; support better management reporting, business process and organisational planning, liaise between clients and internal colleagues, ensure client KPI's are met.

Health Surveillance

- Including but not limited to spirometry, audiology, vaccinations, phlebotomy, immunisation, skin assessment, forklift truck medicals and HAVs.
- Competent to carry out all health surveillance required and administer Hep B / flu vaccines and be able to take blood samples.

Sickness Absence Service

- Conduct assessments and provide robust reports to management on medical conditions affecting an employee's ability to work.

Health & Wellbeing Service

- Be competent in delivering a well-being programme as agreed with clients.

New Starter Screening Service

- Be competent in paper based or face to face health screening to determine medical capability to carry out a defined role.

Other

- Manage your own workload in the face of unpredictable and conflicting demands, which may lead to moving deadlines or making adjustments to meet client or Company requirements at short notice.
- From time-to-time ad hoc support and specialist input may be required from the postholder to allow the company to meet its objectives. There are times where an “all hands-on deck” approach will be required.
- Perform duties/lead on projects not specifically identified in the job profile but which are in line with the general responsibilities of the post.
- Perform duties not specifically identified in the job profile but which are in line with the general responsibilities of the post.
- Demonstrate a willingness to learn new skills and develop areas of specialist interest, including taking on research or projects.
- To maintain OH records and to ensure complete and accurate documentation of all care provided.
- To be aware of current developments and research within the OH field & Signpost local and national OH resources to employees.
- To participate in educational programmes for own professional development, where agreed, and attend annual training.
- To continuously strive to improve the Occupational Health Services we offer through evidence-based practice and service improvement.
- Attend and contribute to operational meetings with Client representatives – HR, Health & Safety, Procurement, if required.
- Work collaboratively with client HR and representatives where necessary to deliver health and wellbeing.
- Act at all times in a professional manner befitting your professional code of conduct and the business core values.
- To maintain client confidentiality in all aspects of this role in line with, General Data Protection Regulations (2018) and the Access to Health Records Act (1991).
- To respect client / patient confidentiality at all times and not divulge client/patient information as per our Confidentiality Policy.
- To work within NMC directives at all times, including Code of Professional Conduct, Record Keeping, scope of professional practice.
- To participate in educational programmes for own professional development, where agreed, and attend annual training.

Please be aware that this job description may evolve or be amended as business needs dictate.
